

Service Parameters

Eligibility:

Transportation is available for children who live two miles or more from their assigned school. *Students residing within two miles of their assigned school may have transportation available if their neighborhood qualifies as hazardous under the district's hazardous transportation rating system.*

Pick Up Time Criteria

Regular transportation attempts to arrive at every bus stop on time. Due to the variances between individual clocks, students are asked to arrive at the bus stop five minutes prior to the scheduled arrival time. Regular buses do not wait for late students under most circumstances. All buses will wait 8 minutes at the school in the afternoon for students to board. Students are expected to proceed immediately to the buses. Students are instructed to never run after a moving school bus for obvious safety reasons.
